NOV 9 1953

The Honorable Charles S. Gubser  
201 Bank of America  
San Jose, California

Dear Mr. Gubser:

This is to acknowledge receipt of your letter of 26 October 1953, regarding the application of [redacted] for employment with this Agency. The early background of this case was set forth in General Cabell's letter to you of 11 August 1953.

As we indicated to you in August, we were quite hopeful that we could find a position for [redacted] in view of her background. However, we have just completed a review of the division in which we had hoped to employ [redacted] and find that it will be necessary to cut back this division and phase out several of its employees. In view of that fact, we informed [redacted] on 6 November that there does not seem to be any opportunity to employ her now or in the immediate future. I greatly regret that we do not have better news for you in this case, but I am sure that you will understand that present economies require that every effort be made to economize in personnel wherever possible.

With kindest regards.

Sincerely,

OGC [redacted] b/c (6 Nov. 53)
